WE'VE GOT IT KOVERED...

Manufactured to give highly reliable products for workshop floors, showrooms, parking bays, factory floors, dairies, veterinary clinics, tennis courts, offices and so much more...

KOVERFLOR TYPE F POLYURETHANE FLOOR PAINT

Koverflor Type F is an outstanding polyurethane based, quick drying, single pack floor paint. It gives a tough abrasion resistance finish and can be applied to clean, dry mature concrete, brickwork, quarry tiles, stone, wood and linoleum.

This oil and petrol resisting paint prevents cement based floors from 'dusting up' and comes highly recommend for many businesses. It's especially used in garage workshops, showrooms, offices, corridors and high volume pedestrian traffic areas that are subject to hard wear.

BENEFITS

- Based on lead free pigments better for the environment and applicator
- Can be applied to concrete, brickwork, blasted steel and wood
- Formulated to give a highly durable finish

EASY TO APPLY

KOVERFLOR TYPE D EPOXY FLOOR PAINT

This ever popular product gives an outstanding hardness and abrasion resistant coating. Designed to be resistant to a wide range of chemicals, detergents, minerals, vegetable oils and a large majority of solvents. Koverflor Type D can be applied on newly laid and mature concrete, quarry tiles and paving stones.

BENEFITS

- Iso-cyanate free better for the environment and applicator
- Can be applied to concrete, brickwork, blasted steel and wood to give a highly durable finish
- Exceptional chemical resistance

ADDITIONAL POPULAR FLOOR PAINTS...

CHLORINATED RUBBER BASED LINE MARKING PAINT

This heavy-duty chlorinated rubber line marking paint is designed to be applied directly to concrete, wood and tarmac surfaces. It offers exceptional durability and a high resistance to abrasion caused by road traffic, ideal to mark out hazards, roadways and parking bays.

BENEFITS

- Excellent chemical and weather resistance
- Excellent adhesion
- Fast drying for rapid handling
- Available in White, Yellow and Red.

AVAILABLE IN A CHOICE OF 3 COLOURS
PLUS BESPOKE ORDERS ON REQUEST

EPOXY WATER BASED FLOOR PAINT B

This hard wearing, water based, solvent free, two pack floor paint is ideal for use in areas of heavy traffic. It contains no organic solvents and has a low odour, with no surface tackiness. This product can be applied directly to damp substrates and offers an extremely high level of abrasion and chemical resistance.

BENEFITS

- Water based, low odour
- Can be applied to damp substrates
- Extremely high level of abrasion resistance
- Tolerant to aggressive cleaning methods
- Extremely good chemical resistance
- Available in eggshell or semi-gloss.

AVAILABLE IN A CHOICE OF 7 COLOURS
