WHY WITHAM?

CREDIBILITY

When choosing the right oil for your vehicle or machinery it is vital that you consider if your provider has approvals from the Original Equipment Manufacturer to ensure that warranty conditions are not jeopardised and servicing costs are kept to a minimum.

Witham Group is passionate about putting the right quality oil in the right application to the correct industry standards. We are endorsed by our membership of the UKLA (United Kingdom Lubricant Association), and signatories to the ATIEL European Letter of Conformance.

We are also members of the VLS (Verification of Lubrication Specification) which provide a credible and trusted independent means to verify lubricant companies. By being a part of these initiatives we strive to bring transparency to the lubricant marketplace and protect and educate the customer with a credible and reliable reputation.

We are proud to be accredited with the British Standard EN ISO 9001. This ensures our entire manufacturing and distribution processes meet the highest standard and provides assurance that the way we do business is recognised as good practice.

ROYAL WARRANT

A Royal Warrant has always been regarded as demonstrating a very high standard in personal service, quality, excellence and innovation. Companies can only reach that status through careful and efficient management. There are around only 850 Royal Warrant Holders in the world representing companies from a huge cross section of trade and industry.

Witham Oil and Paint Ltd are extremely proud to have been awarded the Royal Warrant for the goods and services we supply to HM The Queen. The Royal Warrant helps underline our company's commitment to maintaining and building its reputation as producers of the finest quality lubricants and paints.

As members of the Royal Warrant Holders Association, we are united and committed to the highest standards of service and business excellence.

TECHNICAL HELP

As expert manufacturers of thousands of lubricant products, we are proud to have our own technical team of experts and laboratory based at the Lincoln Head Office. We also have a range of experts out in the field. Using the latest technologies, products are rigorously tested to ensure the highest quality results.

New products are researched and developed to ensure that all our lubricants are made to the latest specifications and requirements. Driving further efficiencies in fuel economy, our technical teams work hard in their laboratories to ensure the latest technologies maximise results whatever the application.

Wherever possible, low impact raw materials are used to minimise the effect on our environment and on the end user. Our technical team is available by telephone or email to answer any lubricant or paint queries on any application, five days a week.

UNIQUE SERVICE

The Witham Group is so proud of its heritage and the emphasis it places on the service to all of our customers, whether old or new, big or small. Having been trading since 1921 we know the importance of having firm standards of operations in place as the cornerstones of a good business and supporting those that work for us and those in our communities.

Our independence gives us the refreshingly personal and long term approach to customers and our service and flexibility on deliveries and order times are second to none.

There are a number of ways you can purchase our quality lubricants & paints. Either from our online shop, at one of our 3 depots, or call us to place an order or apply for a trade account.

ENVIRONMENT

We make a vast quantity of oils and greases and in an industry where traditionally additives, chemicals and fossil based products are essential to the manufacturing process, we are now totally committed to ensuring that wherever possible the environment is at the heart of our activities.

We work hard to create a "greener" culture. From harvesting rainwater from our factory roofs to installing solar panels, from improved waste disposal procedures to installing low energy lighting - we are overall finding many ways to reduce our carbon footprint.

We offer bulk deliveries of lubricants and install free storage tanks to save on oil drum packaging, workshop spillages for customers and have also developed a range of biodegradable and environmentally safer lubricants. We are proud to be working with the environment finding new innovative ways to show the lubricant and oil industry can operate with corporate care and social responsibility, not only for our staff and their families but for the wider community, customers and businesses throughout the UK.

COMMUNITY SUPPORT

For many years now The Witham Group has supported a variety of local causes and charities. We are delighted to have raised over £80,000 for many national and local causes close to the hearts of our staff and their families. From lawnmower races to speedboats championships, Scout Groups, to classic car clubs, we have held visits, sponsored customers and colleagues and donated our oil or paint products to help put something back into our community.

We also attend the Suffolk, Lincolnshire and Royal Norfolk shows each year, along with the many national and local Agricultural Trade shows, such as LAMMA and MMS, where we ensure existing and prospective customers get the chance to find out what we do and how we can help them.

MOTORSPORT & MOTUL

We are immensely proud to be UK importer and distributor of the world renowned Motul Automotive Products. We love all things racing and our reputation across the line is very enviable. From power boat racing to Goodwood revival, British Touring cars to track days, we have the product range and experience to know that the best oil certainly makes all the difference.

Supporting and sponsoring drivers, race teams and distributors with our Qualube, Classic or Motul range of products, means we have the right oil for the right machine, whether vintage vehicles or the very latest in racing engine technology.

WORKSHOP & CLEANING PRODUCTS

ESSENTIAL PRODUCTS FOR EVERYDAY USE

From Hand Cleaners to Screenwash, Cleaning Rags to Rust Prevention, we sell lots of handy products to help you do your job more easily. As well as the products listed below we can also provide jugs, funnels, spillage kits and much, much, more! So if you need anything else and you can't find it here just contact us and we will be glad to help.

CLEANING SOLUTIONS

QUALKLEEN HEAVY DUTY HAND CLEANER

NEW PRODUCT

QualKleen heavy-duty hand cleaner contains natural orange oil, pumice and esters. Designed to remove the most ingrained oils, greases, paints, inks, tar, general dirt and grime. The pumice and esters give superior performance, coupled with moisturisers and an orange fragrance to leave the hands feeling fresh and clean. Ideal for workshops, farms and garages.

Award Winning Formula

PACK SIZES - 1, 4 & 5 LITRES

QUALCARE HAND CLEANER

QualCare is a high quality, white pearlised hand soap with added conditioners, pleasantly perfumed and kind to hands. Ideal for washrooms, work and home.

Moisturising Hand Cleaner

PACK SIZES - 1, 4 & 5 LITRES

NEW PRODUCT

SKIN CLEANSING WIPES

WORKSHOP ESSENTIAL

Rapidly cleans dirt and grease off hands. Trade strength – for workshop or domestic use. 200 wipes in one handy tub dispenser.

PACK SIZES - 200 WIPES PER DISPENSER

ALL SEASONS SCREENWASH

An excellent all season concentrated screenwash. Removes traffic film, dirt and insect residue. Helps prevent freezing during the winter months.

PACK SIZES - 5 LITRES

QUALKLEEN & QUALCARE DISPENSERS & 5LTR PUMP DISPENSER

Keep your washrooms clean and tidy with our wall mounted 1 & 4 Ltr vertical soap dispensers, easy to install and features a hygienic push button operation. Easily mounted on the wall by means of screws with corresponding wall plugs. Our 5 Ltr soap dispenser pump, simply replaces the existing lid from the 5Ltr QualKleen & QualCare hand cleaner containers.

GENERAL PURPOSE TFR

Our General Purpose Traffic Film Remover (TFR) is used in power wash sprayers and high pressure cleaning equipment. This special detergent is diluted to remove stubborn dirt, traffic film and road coatings from all vehicles. A great all round product for home and business use.

PACK SIZES - 25 LITRES

GOLD TFR

Our Gold top quality Traffic Film Remover (TFR) not only cleans off dirt, grease and road grime easily but also leaves vehicles with a high gloss shiny finish. Suitable for use on all vehicles, and types of paint, this is our best-selling vehicle cleaner.

PACK SIZES - 25 LITRES

SOLVENT DEGREASER FLUID

Our degreaser is a solvent based cleaning fluid that is used neat to rapidly dissolve oil, grease and other deposits which bind dirt particles to the surface of the component.

PACK SIZES - 1, 5 & 25 LITRES

ABSORBENT GRANULES

Multi-purpose soft clay absorbent granules which is ideal for all types of liquid spillages including oil. This is a vital workshop and garage staple and available in 20Ltr bags.

PACK SIZES - 20 LITRES

PALE PINE DISINFECTANT

Our Pale Pine Disinfectant provides a safe, powerful and economical bacteria free cleaning action which has been designed to kill germs, overcome offensive odours and control and remove dirt from a wide variety of surfaces.

PACK SIZES - 1, 5 & 25 LITRES

CITRUSOL FAST ACTING CLEANER

A concentrated fast acting citrus-based cleaner and degreaser that offers maximum cleaning power. Citrusol removes dirt and grime quickly and safely leaving a fragrant fresh, aroma. Ideal to clean diesel oil, food oil, fats, grease, tobacco film, mineral oils, rubber, traffic film, and engineering oil from stainless steel, machinery, equipment, vehicles, work surfaces, vinyl, paint, ceramic, plastic, anti-slip surfaces and concrete.

PACK SIZES - 5 & 25 LITRES

CLEANING RAGS

These high quality cotton rags are excellent for general workshop and industrial use. They come in 2 handy 10kg bags in a mix of colours and are extremely absorbent and robust.

PACK SIZES - 20KG

HIGH ACTIVE DETERGENT

This soap based water soluble detergent is suitable for many applications including vehicle washing and valeting.

PACK SIZES - 5 & 25 LITRES

PAPER ROLL WIPES

Paper Roll Wipes are a commercial size product incorporating 850 sheets and 2 ply construction. They resist tearing and provide a clean disposable solution to rags. A must have in your workshop!

PACK SIZES - TWIN PACK

WORKSHOP & CLEANING PRODUCTS

RUST PREVENTION & LUBRICATION

RUSTAREST

Qualube Rustarest is a solvent water displacing corrosion inhibitor. It provides a light, greasy film which provides long term protection to all metals and surfaces and is particularly useful to cover outdoor storage areas, protecting against rust with its excellent water repelling properties.

PACK SIZES - 1, 5 & 25 LITRES

WATER DISPLACEMENT FLUID

This product is designed to remove and displace water on surfaces and then provide protection from moisture and corrosion thereafter. Its greasy film has non-staining properties and protects against salt damage and rust on many components.

PACK SIZES - 1, 5 & 25 LITRES

CHAIN OIL

This is a great addition to your business, workshop or home. Designed to get your chain and machinery working well as quickly as possible. With excellent penetration and lubrication properties this product can be used on chainsaws, cycle chains, chain drives, pulleys, rollers, conveyors, forklifts, bearings, hoists and hinges.

PACK SIZES - 1, 5 & 25 LITRES

MULTI-EASE AEROSOL

A multi-purpose clear lubricant in aerosol cans which is great to keep in your garage or workshop for all round use. It helps drive out moisture, protects against corrosion, loosens rusted metal parts, dissolves dirt and grime and lubricates working parts.

PACK SIZES - 500ML

BEST SELLER

OPEN GEAR WIRE ROPE LUBRICANT

Formulated for all exposed gears, steel cables and heavy duty chains. This spray reaches the very core of wire ropes and helps to displace water resulting in excellent rust protection.

PACK SIZES - 500ML

PROLAN MEDIUM AND HEAVY GRADE AEROSOLS

- Multi-purpose general workshop lubricant for rust protection
- Resists acids and alkalis
- Frees up frozen components, padlocks, hinges, fasteners, door handles and tools
- Internal motor component preservation – safe inside boat motors
- Lubricant for drilling, cutting, machining and pressing
- Electrical wiring and connections, non-conductive up to 70KV, won't break down rubber or wiring
- Environmentally friendly and biodegradable
- Internationally certified by NSF for worldwide certification in food processing industries.

PACK SIZES - MEDIUM 250ML & HEAVY 500ML

GRAPHITE PENETRATING OIL

Graphite Penetrating Oil has been specifically designed for the most challenging of restorations. Incorporating high levels of graphite this fluid will give the best chance of releasing corroded components without damaging them.

PACK SIZES - 500ML

OTHER USEFUL ITEMS

CONCRETE MOULD OIL

A water-in-oil, oil phased emulsion (commonly known as Soap Oil). White in colour, of creamy consistency and exceptional stability brush apply only.

PACK SIZES - 5 & 25 LITRES

SOLUBLE CUTTING OIL

A new generation of cost effective biostable water-mix metalworking fluids. It has been specially designed to incorporate the latest advances in additive technology. This product has been developed to provide moderate levels of boundary lubrication whilst being free of chlorinated extreme pressure compounds and forms a micro-emulsion when diluted with water.

PACK SIZES - 1, 5 & 25 LITRES

PROLAN ANTI-SEIZE GREASE

An incredibly long lasting grease that saves time and money on multiple re-application. Proven to last up to 30 years.

- Protects metal, rubber and battery terminals from corrosion caused by water, moisture, acid and salt.
- Extremely good anti-seize prevention for stainless steel threads.
- Lifts rust scale, cleans metal and frees up seized parts.
- Can be used in and around electrical connections to prevent moisture penetration and corrosion
- Environmentally friendly and biodegradable
- Internationally certified by NSF for worldwide certification in food processing industries

Available in 100ml, 500ml & 4 litres.

TRANSFORMER OIL

Qualube Transformer Oil is an electrical insulating oil designed to meet the challenges presented by the latest power transformers. It offers an extended oil life with the peace of mind of zero sulphur content. Manufactured to have an excellent response to anti-oxidant and are free from PCBs, DSDS & passivators.

PACK SIZES - 1, 5 & 25 LITRES

SULPHURISED CUTTING OIL

Formulated using high film strength additives to give better hydrodynamic performance than its viscosity would suggest. Containing chemically active components which provide good tool life and low oil consumption. Designed particularly for use in operations of medium to hard severity, providing excellent performance under the load, high temperature environment of wall ironing allowing the production of components with wall thickness as low as 0.2mm whilst maintaining dimensional accuracy and preventing pick-up.

PACK SIZES - 1, 5 & 25 LITRES
